

COVID-19

Due to the ongoing Coronavirus situation in the UK we have introduced some changes to protect our guests and staff.

Please do not visit if you are experiencing any symptoms linked to COVID-19, we have provided information for your reference.

At Taymore Lodge we pride ourselves on high standards of cleaning and hygiene, we have also provided hand sanitiser, sanitising hand soap and surface spray.

We ask you to kindly remove your bedding inside out and place in cotton laundry bags provided and open the windows prior to leaving. This helps reduce the risk of airborne contaminants and protects our cleaning staff.

Please wash dishes in the dishwasher and sanitise surfaces or items used with the sanitising spray provided.

It is our pleasure to offer our guests a comfortable and safe stay, this includes lots of extra touches to enhance your experience - some on display some stored away. We ask that if you choose to enjoy them, please use them with consideration and clean and sanitise any items used for the next guests.

We appreciate your understanding in these unusual times, if you have any questions please get in touch.

Have a wonderful stay,

Nicola & Alan
